Were compounded after long study and observation of the laws of nature, and a close reflection upon the properties of different medicinal agents, so that taken together, they should form a pill which would act in harmony with these laws, and aid nature herself to work a cure. We must ob-serve that when the body is diseased, the various organs composing the vital system make effort to throw off the dis-order, and it is to aid these organs in their work that medicine is designed. The remedies too often used will not d cine is designed. The remedies too often used will not do
this, but will, by main force, if we may use the expression,
upset the whole vital organization, and, while carrying of
the diseased matter, will leave every part of the system unstrung, even if it do not bring on other decangements worse
than the first. The true operation of medicine is to give
increased activity to the means possessed by nature for the
removal of the causes of disease. This can be done by gentle means, and we know from observation and experience that the Grafaenberg Vegetable Pills combine the kinds and quantities of vegetable remoties necessary to effect the de-

The inventor of the pills was for many years afflicted with a complication of diseases, the result of some bilious derange-ment. It seemed utterly impossible that his health should ever be restored, and the best exertions of the profession were all in vain. A physician himself, he spent many a weary hour in reflecting on medicine and its effects, and to the torturing pains of a sick bed, may be traced the discovery of a pill which restored the discoverer to health, and which is now in constant use by hundreds of thousands, who Price, 25 cents per box, or five boxes for \$1.

This subtle atmospheric poison which at certain seasons is unavoidably inhaled at every breath, is the same in character wherever it exists—North, South, East or West—and will every where yield to this newly discovered antidote, which is claimed to be the GREATEST DISCOVERT IN

This specific is so harmless that it may be taken by per-sens of every age, sex or condition, and it will not substi-tute for one disease others still worse, as is too often the result in the treatment by Quinine, Mercury, Arsenic, and other poisonous or deleterious drugs, not a particle of any of which is admitted into this preparation.

The proorietor distinctly claims there extraordinary results from the use of this NATURAL ANTIDOTE TO MA-

DUFOUR & CO'S ANCHOR BRAND BOLTING CLOTHS It will entirely protect any resident or traveler even in It will entirely protect any resident or traveler even in
the most sickly or swampy localities, from any Ague or Bilious disease whatever, or any injury from constantly inhaling Malaria or Miasma.

It will instantly check the Ague in persons who have suffered for any length of time, from one day to twenty years,
so that they need never have another chill, by continuing

For all diseases of the Blood, hothing has yet been found
to compare with it. It cleanses the system of all impurities,
acts gently and efficiently on the Liver and Kidneys,
strengthens the Digestion, gives tone to the Stomach, makes
the skin clear and healthy, and restores the Constitution,
enfeebled by disease or broken down by the excesses of
youth, to its pristing and strength.

For the Ladies, it is incomparably better than all the con-

Embroideries, Laces, White Goods, Irish and French and all classes. Farmers and all laboring men, by adopting from persons from all parts of the United States, is the best witch as a preventive, will be free from Ague or Billous attacks in that season of the year which, while it is the most sickly, is the best valuable one to them.

One or two bottles will answer for ordinary cases, some which they offer on the most favorable terms.

The trade and dealers are requested to favor them with an early call. They will also be receiving throughout the season, regular shipments of every novelty in Dress Goods, Embroideries, &c., &c.
